Welcome to the ABAKADA Challenge!

We hope to share Filipino words, phrases, and food with you through the original Filipino alphabet. We will focus on one letter each week, for 20 weeks.

You may use this booklet as a guide to record the vocabulary you learn throughout this challenge and to add on to it as well from your knowledge and other resources.

We welcome you to participate in the challenge along with us as well. You can do so by doing one or more of the following: Commenting on our challenge posts, sharing additional words you learn that go with each week's letter, posting pictures of relevant words or images for that week's letter on your social media feed, using the hashtag #abakadachallenge.

We learn so much from each other and build on one another's knowledge.

Thank you for participating & learning along with us!
Maraming salamat! Thank you very much!
