

## Directions

Object of the game: Travel to the finish line.

1. Cut out the game pieces and number cards (on the next page).
2. (Optional tip): Glue game pieces on a cardboard.
3. Place the two pages of the game board side by side.
4. Shuffle the number cards and place them face down in a stack.
5. Each player will pick a form of transportation or one player can have a race against himself/herself by seeing which form of transportation makes it to the finish line first. Place the game pieces at the starting positions.
6. Choose a number card and move that many spaces on the game board until you finish.
